

City of Enumclaw Human Services Funding Request

I. PROGRAM SPECIFICATIONS

I.1. Overview

The City of Enumclaw and the Enumclaw City Council requests the Human Services Advisory Board (HSAB) to solicit and consider requests for the funding of human services for in-City clients. The City of Enumclaw funds organizations that address an immediate basic human need (i.e., elements required for survival and normal/healthy mental and physical health, such as food, water, shelter, protection from environmental threats, and supportive services to assist with activities of daily living). The HSAB will provide to City Administration with formal recommendations, having conducted a formal evaluation of the funding requests from not for profit human services providers who address the needs of the community of Enumclaw.

I.2. Funding

Upon City Council approval, proposals accepted in 2018 will be funded in 2019.

City Council will approve funding for the following year: January 1 through December 31, 2019. The funding amount for that year will be safeguarded at the amount approved. The City will pay the organization upon the submission of a service agreement and paid to the organization quarterly for services provided. The funding calendar is January 1 through December 31.

I.3. How to Apply for Funds

All applicants must complete the Human Services Agency Funding Request.

Proposals must be received by **5:00 PM on August 8, 2018.**

I.4. Presentation

You will have an opportunity to make a short presentation at a City Council meeting. At this meeting, you will introduce your organization and briefly share more on the following topics. Please allot two minutes for each topic.

- Share how your organization addresses an immediate, basic human services need and to which community group/demographic in our community.
- Describe how you differ from other programs in the community.
- Provide amount for requested funding.
- Explain how you coordinate with other community programs.
- Describe how you market/promote your program.
- Share what steps you follow to ensure success for your program participants so that they are not “repeat customers.”
- Describe the measures used to quantitative outcomes.

I.5. Priority Service Areas

Proposals submitted and to be considered by the HSAB should focus on priority service areas for the following community groups in Enumclaw:

- Family and Children Support Services
- Senior Services
- Youth Services
- Substance abuse prevention

Support low-income families in achieving self-sufficiency. Assist Enumclaw residents, workers and their families in maintaining their independence to function as healthy, contributing members of the community.

Assist the Enumclaw senior community in maintaining their independence. Enable and assist this community group to function as healthy, contributing members of the community.

Provide assistance and support for the healthy development of youth and their families to enable and assist this community group function as healthy, contributing members of the community.
