

# AGENDA

## PUBLIC WORKS COMMITTEE MEETING

February 25, 2019 @ 5:30 PM  
Council Chambers Conference Room, City Hall

1. Agenda Approval.
2. Approval of Minutes, meeting of January 28, 2019.
3. Old Business : None
4. New Business:
  - a. On the Agenda for Tonight:
    - i. Set Public Hearing for Water Efficiency Plan – will require Resolution.
    - ii. Consent Agenda: Final acceptance of WWTP UV and Miscellaneous Improvements.
    - iii. Final acceptance – Gas Pipeline Construction.
    - iv. Award Davis Avenue water line replacement.
    - v. Ord. 2652 Sewer Ordinance.
5. Snow removal – review department experience with recent events and discuss systematic improvements. Add one HD plow with Gas Department replacement and future plow on 1-ton rig.
6. Status of street construction projects: concrete repairs, Semanski grant, Railroad Ave., TBD projects remaining. Future: Cole (Grant in hand for 2020), Warner and Roosevelt.
7. Undergrounding power considerations. Community Development has begun work on their work plan, one item of which was to consider requiring developers and the city to underground power lines in the future. A draft ordinance framework is attached for discussion, UndergroundingPower.docx.
8. Facility Planning – demo of old shops and needed workspace.
