Motion to approve by Chris, second by Thomas, motion passed.

b. Parks Six-year CIP

IV. DISCUSSION ITEMS

- a. Youth/Teen Survey results – Jonah Ayer: Jonah had a survey put out and received approximately 129 responses. He sent it out via his teachers to 7th and 8th graders through Google Forms. The results are listed in the attached survey response results. Thomas thanked Jonah for his effort and complimented him on the questions.
- b. Skate Park Discussion: Discussion on whether to demo, fence, or bandaid until we can fund. Consensus from CSC was to continue to repair and hope for funding for 2023.
- c. “Streeteries”: Thomas shared that the Small Business meeting discussed that TAB was going to have a discussion regarding Streeteries. Thomas surveyed the businesses (Plateau, Cole Street, and Leony’s), plans to talk to the Mint, Rainier, Il Siciliano. Their concern was the cost. They love the idea but aren’t adamant about it. Would the City consider paying? Could ARPA assist with the expense? If so, it seems the businesses would be excited about it. Thomas will talk with Anthony to get CED’s thoughts as well.

Next Scheduled Meeting: Monday, April 18, 2022, 5pm

- d. Pavilion: Discussion on potential options: Would the architects collaborate? An idea that came up was to put back to Michelle and Ed to present some options to narrow things down. Is it going to be the Key Bank location or the Chamber lot, or replace in the current location? Comparisons of Key Bank to the Chamber lot (square footage, etc.) Is the value the same for each location? What is the option if the bond measure fails? What are other funding options? Loan? REET? What is our pool of money? CSC does not have interest in renovating the existing site. Michelle will talk with Ed and see if we can create a comparison to present.
- V. ADJOURNMENT: Motion to adjourn by Chris , second by Corrie, motion passed. The meeting adjourned at 5:57pm.
