Memorandum for Public Works Committee

From: Jeffrey A. Lincoln, Public Works Director

Subject: Minutes of meeting of April 8, 2019

1. Meeting Convened at 5:30 PM, with Chair Lauk and members LaFleur and Wright present. Due to early start for council meeting the meeting was scheduled for 15 minutes.
2. Minutes for March 25, 2019 were approved.
3. Old Business:
  - a. Cole Street bollards, lighting and other streetscape repainting and alternatives were discussed. There is concern by Mr. LaFleur that removing the bollards would create issues with motorists parking cars over the boundary between the sidewalks and parking strips. Alternatives are limited because replacing the existing bollards with physical markers would create tripping hazards or impact ADA access. Discussion to continue at the April 22<sup>nd</sup> meeting. Quotes and more information is expected from the new Sternberg Rep, Pacific Lighting in Kent.
4. There was no new business discussed.
5. The meeting adjourned at 5:45 PM.
