- I. CALL TO ORDER Sauvageau called the meeting to order at 5:03pm
- II. APPROVAL OF MINUTES FROM 6/21/22 Motion by Koopman, 2<sup>nd</sup> by Gruner, motion passed.
- III. COUNCIL ACTION ITEMS
  - a. Proposal from Schemata – Pool Renovation Architect/Engineer proposal. Motion to approve by Sauvageau, Second by Koopman. Motion passed.
- IV. DISCUSSION ITEMS
  - a. Bond discussion. Thomas met with School District and learned more about how to educate the community in the right way. Will discuss more with the Finance AdHoc committee, but he wanted to mention that at CSC. There could be a possibility to partner with the school district on their surveying license. More information to come. We can also use ActiveNet as a communicating tool as well as Courier Herald. Also, discussion on importance of making employees aware of this process is they can represent the City appropriately.
  - b. Pickleball group: The committee's stance is aligned with Expo in that they are not for this facility at this location, and they also feel they should form their own 501c3 and move forward with this through that.
- V. ADJOURNMENT: Motion to adjourn by Sauvageau, second by Koopman, motion passed, the meeting adjourned at 5:29pm.
