 - b. Fee Resolution (added agenda item, action in October) – Larson went through the fee change recommendations for the department including potential increase to pool fees. Suzy will be researching to make sure we are still competitive with other pools and we will report back at the October meeting. Other fee changes include the addition of a \$25 event application fee, \$100 event fee, and a la carte fees such as dumpsters, staff overtime, and street sweeper. The committee agreed this was a fair idea and would help recoup the costs incurred by the various departments for these events.
