

## Minutes of the Enumclaw Library Board Meeting

Wednesday, October 2, 2019

Present: Richard Elfers, John Knowlton, Sandy Kanaga and PhilisAnn Bodle, (Judy Prenovost absent)

Guest: John Sheller, Government Relations Manager, KCLS

Minutes: Minutes of the September 4, 2019 meeting were unanimously approved.

Public Safety Committee/KCLS meeting: John Sheller reported to LAB about the recent meeting between members of the Enumclaw Public Safety Committee (PSC) and KCLS administration, including Lisa Rosenblum and other KCLS staff.

Both parties agreed that the library as a safety issue was a perception issue and have agreed to work together on this. Results of the PSC survey were available to those in attendance. In future meetings, PhilisAnn Bodle, Regional Manager, Chris Mezek, Branch Manager, and LAB members will attend PSC meetings when/if appropriate.

Lisa Rosenblum made it clear that there will not be a “no loitering” sign at the library unless there is a specific and enforced Enumclaw city ordinance addressing this issue. Lisa made it clear to the PSC what KCLS will do and will not do in terms of library management. PSC will be reporting to the City Council about the results of the meeting. The meeting ended amicably.

LAB board member: Still no fifth member, Rich Elfers will call one person.

Washington Humanities: Philis reported that Kibler Elementary may be a school of interest for this project.

KCLS Reel Fest: Philis invited board members to read about the Reel Fest and encourage friends to participate in this project.

Adjournment was at 7:20pm. The next meeting will be Wednesday, November 6<sup>th</sup> at 6pm.
