SERVICES WE OFFER:

- **75% matching funds up to \$599** for every dollar wisely spent on hazardous materials management and reduction.
- **Field representatives available** as ongoing advisors and for site visits for no charge
- **IMEX**, the on-line Industrial Materials Exchange www.UseImex.org.
- **EnviroStars**, a marketing program for recognized green businesses www.Envirostars.org.
- **The online Hazardous Waste Directory**, a guide for properly managing hazardous materials www.hazwastehelp.org/YellowBook/materials.aspx.

This and other services are paid for as part of your utility bills.

This information is available on request in accessible formats for persons with disabilities by calling 206-263-1650 TTY relay: 711.

We'd like to invest up to \$599 in your business.

The Voucher
INCENTIVE
Program

CASH BACK FOR DISPOSAL & IMPROVEMENTS

Smart handling of hazardous materials can save you money, reduce liability and ease regulatory requirements.

Business owners are liable for any contamination and clean-up caused by hazardous products or wastes.

The
Voucher
INCENTIVE
Program

Join the thousands of local businesses that have benefited from our no-charge visits and the Voucher Incentive Program.

Our field staff will visit and offer practical advice that fits your business. You already pay for these services as part of your utility bill.

To be eligible, a business must:

- Have a business license and be located in King County
- Produce less than 220 pounds of hazardous waste per month*

* Qualifying businesses must be SQGs or small quantity generators, producing less than 220 pounds of waste per month or batch, and never accumulate more than 2,200 pounds at their site. A few gallons of solvent could qualify a business for this program.

HOW DOES IT WORK?

- Call 206-263-1651 or 206-263-1658 to schedule a no-charge visit.
- One of our field staff will visit your business and suggest improvements and give you a voucher.
- You make the recommended changes and submit the voucher with receipts attached.
- We send you a reimbursement for 75% of your costs up to \$599 for following our recommendation.

WHAT COSTS CAN BE REIMBURSED?

75% of what a business spends – up to \$599 – on the changes our staff recommend.

You can use these funds for:

- Lab testing of your wastes to see if they are hazardous.
- Disposing and recycling your wastes.
- Purchasing or repairing equipment.
- Spill control and containment.
- Purchasing personal protective equipment for employees.
- Cleaning storm drains and oil/water separators.

We support businesses that support the environment
